**Division of First in Service Group**  
**Member of the Tzell Travel Group**

**PLEASE READ THE FOLLOWING INFORMATION BEFORE YOU FILL OUT  
THE FORM!**

We're sure you want to know lots more about our Mardi Gras weekend and Exotic Western Caribbean Cruise. Please understand that the trip is many months away so there will be much more information as time goes by. We promise to keep you well informed as our plans develop. In the meantime, let's address some of your initial questions and we'll discuss other items in future e-mails.

There is a world beyond the typical Caribbean destinations you hear about all the time. San Juan, St. Thomas, the Bahamas, etc. are all very lovely destinations but the purpose of creating Out Gay Tours is to offer something different from all the rest. It took us two months to research the myriad of cruises out there, the quality of the cruise line and the uniqueness of visiting ports-of-call that would be unusual and offer something for everyone; private beach excursions parties, and opportunities, to visit some of the more culturally enriching destinations offered on a one week cruise leaving from an interesting city. Plus, we wanted our program to be one of a kind at a cost consistent with everyone's budget. Finally, we found the perfect combination. Who doesn't want to visit New Orleans and be a part of the Mardi Gras celebration you have seen on television for so many years?

Why not join in the fun live and in person! And, coincidentally we discovered the NCL Spirit sailing to unique ports-of-call on the Western side of the Caribbean. This particular itinerary allows you to languish on some very beautiful beaches, shop at very affordable prices, and visit ancient ruins such as the Mayan ruins in Tulum (located near Cozumel). Scuba diving, hiking, optional car excursions, it's all going to be available to you.

Finally, NCL's unique onboard gourmet dining experiences allow you to enjoy dinners in any of 17 restaurants on the ship plus there are all sorts of options for dining all day long at whatever time you wish. There's no waiting in line for the doors to be swung open into one particular dining room at a specific time, sitting at a specific table and dining with the same people each night (Unless you want to).

If you wish to learn more about the Spirit and its unique Free-Style Dining experience, you can visit [www.ncl.com](http://www.ncl.com).

**IS THERE ANYTHING IN PARTICULAR WE NEED TO KNOW ABOUT THE  
ENCLOSED RESERVATION FORM?**

Absolutely! Please print out one of the attached reservation forms for **each person** booked and print or write clearly on the form.

If you are traveling alone but you would like to be assigned a roommate in order to save additional cost, please indicate your preference in the appropriate space on the reservation form. We will randomly assign your roommate and, once assigned, we will provide you with your roommate contact information so you will have an opportunity to get to know each other before the trip. This service will be provided as long as we have another person seeking a cabin mate. If you are traveling "solo" the applicable fare is indicated on the reservation form. If you are paying by credit card, please be sure to fill in all the credit card information and be sure the Cardholder signs in the space provided.

If paying by check, please include your check when you return the form to us and make the check payable to FIRST IN SERVICE, our parent Company. You can be assured your deposits and other payments are completely protected and that we are fully bonded and insured.

All reservations forms should be returned To OGT within 7 days of receipt of the forms.

Please DO NOT deduct any early or special discounts from your deposit – the discount will apply and be deducted from the final payment we receive from you.

## **HOW COME YOU'RE NOT OFFERING A LOW CATEGORY PRICE AND UPGRADING US TO HIGHER LEVEL CATEGORIES?**

Guess what? You already have been upgraded several categories. Rather than having to ask for it, we negotiated the rate you are paying. Your price is what's normally charged for the lowest priced cabin in a particular category on the ship. For example, there are several categories of inside cabins, outside cabins, etc. Your price is based on the least expensive cabin in the category you select BUT your cabin will be located at the highest priced level in each of the categories you selected. One more thing you don't have to deal with. This has already been done.

## **SHOULD I BOOK MY SHORE EXCURSIONS DIRECTLY WITH NORWEGIAN CRUISES ON THEIR WEBSITE?**

No! NCL has not yet finalized the exact shore excursions and prices that will be offered on your cruise. In order to keep our group together, you will receive future instructions about how to book these excursions just as soon as we receive the 2011 tour selections and prices. It could be another one or two months before NCL finalizes everything. But there will be something for everyone.

## **WHAT ABOUT RESERVATIONS AND AIRFARES?**

Flights to New Orleans are a bit more limited than to other destinations and sometimes can be difficult to get, even on a non holiday weekend. However, we can guarantee air reservations for you leaving from any city if you indicate your desire to do that on the reservation form. There are several advantages to having us book your flight reservations at the same time you book your cruise reservations.

Although Mardi grass air fares might be slightly higher if booked through NCL, you are guaranteed that you will have a seat available to you, PLUS the cruise line will be responsible to get you to the ship (or the Mardi Gras weekend package )in the unlikely event that your flight is canceled or delayed and, heaven forbid, you should miss the cruise departure time, either the ship will wait for you or NCL will have full liability to protect you AND your investment. If interested in purchasing air through NCL, please indicate your desire in the appropriate space on the reservation form and we will get back to you as soon as we process your request.

Of course you can use up those credit card reward points or frequent flight mileage to obtain flight tickets. Since seating using points or millage seats are limited on each flight please be contact your card company or airline as early as possible. If you are not inclined to spend hours searching for flights, you can contact us and, for a minimal administrative fee, we will be happy to book those reservations for you. Many of you who have tried yourselves previously have had some "hair-raising" experiences.

Finally, if you want to make your flight reservations with NCL at a later date, please let us know since flights can sell out early. This will also be yet an additional way to avoid having to search a zillion travel websites seeking air fares.

The process of finding air reservations can be the most frustrating part of the trip. That is why we recommend booking your air fare when you send in the reservation forms. It's over, done with, and out of

the way. That's one last thing for you to deal with. We want your trip to be a pleasure and NOT a needless nightmare.

NCL will assign your flights at the time they issue your documents approximately two to three weeks prior to your departure. Booking air does not permit you the opportunity to book the exact flight or airline of your choice but NCL always makes every effort to get the best flights available.

If you decide to handle the airfare on your own, please be sure to tell us your itinerary so we can arrange for your airport transfers in New Orleans.

### **SO THERE YOU HAVE IT!**

It will always be our policy to keep you informed as plans evolve. We know we have given you a little reading to do but, unlike many companies, we want you to know everything about your trip. There are only a few guarantees we can provide at this time. Honesty, integrity, and a sensational vacation opportunity filled with lots of surprises, events, and many memorable experiences.
